34" Crommelins Power Trowel

The 34" (860mm) Crommelins Power Trowel is one of Crommelins most popular sizes. It is ideal for house pads, tilt panels and multiple applications and comes at an economical price.

There is a blade guard access gate for easy blade changes, which the operator is also protected by. There is a handy holder for a water bottle or phone located on the handle bar.

This Troweller comes with a heavy duty lifting hook and Crommelins also offer the 2yr manufacturers warranty and 3yr Subaru engine warranty.

Features

- Handy holder for mobile phone / water bottle / accessories
- Gut bar with ergonomic handles offers easily adjustable control
- 'Dead-mans' Safety Switch
- Adjustable blade pitch
- Heavy duty lifting bar
- Long life gear box developed exclusively and features cooling fins (works like an air cooled engine) and heavy duty gears, worm drive and bearings
- Operator has the ability to increase the trowelling weight in increments of 5kg, maintaining balance and providing the desired finish even as the concrete dries
- Advanced blade drive design provides long life, maintains accuracy and is easy to clean
- Accepts Australian interchangeable blades
- Solidly constructed blade guard protects the operator when trowel is in use
- Blade access gate allows ample room for easy blade changes and cleaning
- 2yr Power Trowel warranty
- 3yr Subaru engine warranty

Applications

- Concrete Tilt panels
- House pads
