### 46" Crommelins Power Trowel

The 46" (1170mm) Crommelins Power Trowel size and weight allows for quick finishing of large jobs and is perfect for specific jobs in warm weathered climates. The heavy duty engine allows for continuous, steady work throughout the day. Diesel powered option also available.

This Troweller is the largest of the Crommelins range and comes with many accessories and features, has a heavy duty lifting hook and Crommelins also offer the 2yr manufacturers warranty and 3yr Subaru engine warranty.

### Features

- Assembled and Tested in Australia
- First time offered – Handy holder for mobile phone / water bottle / accessories
- Gut bar with ergonomic handles offers easily adjustable control
- Engine safety stop switch located at the top of the shaft
- One piece extra long shaft calculated to provide balanced trowel control with fully adjustable handle for operator height compatibility
- Low profile heavy duty lifting bar
- Long life gear box developed exclusively and features cooling fins (works like an air cooled engine) and heavy duty gears, worm drive and bearings
- Operator has the ability to increase the trowelling weight in increments of 5kg, maintaining balance and providing the desired finish even as the concrete dries
- Advanced blade drive design provides long life, maintains accuracy and is easy to clean
- Accepts Australian interchangeable blades
- Solidly constructed blade guard protects the operator when trowel is in
