

PROFINISH RIDE-ON POWER TROWELS

The ProFinish series of Ride-On Power Trowels offers exceptional power to weight ratios, meaning they are the ultimate force in tackling concrete pours of all sizes. Powerful engines deliver maximum performance to the heavy-duty gearboxes resulting in a perfect finish every time.

HEAVY DUTY GEARBOX

ProFinish ride on power trowels are fitted with heavy-duty gearboxes that provide longer life and less maintenance.

FEATURES

- Heavy duty gearboxes provide longer life and less maintenance
- Twin stick, multi-directional levers deliver immediate, responsive steering
- Emergency shut down control for operator safety
- Lifting points for balanced lifting on and off the job site
- Independent manual pitch control
- Adjustable seat for operator comfort
- Lights for indoor and night time work
- Water / Retardant discharge system
- Wheel kit for easy onsite maneuverability
