## 6.0hp Petrol Crommelins 58L Compressor

2 Cylinder Pump

<b>Model Number</b>	<b>CP16S</b>
Dimensions (LxWxH)	940x320x760mm
db at 7m	60db
Displacement (CFM)	15.0CFM (425L/min)
Free Air Delivery (CFM)	10.2CFM (289L/min)
Engine Make	Subaru
Engine Type	6.0hp EX17
Starting System	Recoil Start
Fuel Type	Petrol
Fuel Tank (L)	3.8L
Pump Cylinder	Two
Air Tank (L)	58L
Manufacturers Warranty	12 months
Engine Warranty	3 years

### 5.0hp Petrol Crommelins 58L Compressor

This Subaru powered, petrol, 58L Air Compressor has a high volume of air and a fast recovery time while being used. Made from heavy duty cast iron, the 2 cylinder pump head is designed for cool running and has stainless steel valves.

### Features

- Genuine Subaru industrial engine
- 2 Cylinder pump
- 58L, Powder coated tank
- Heavy duty 'close grain' cast iron construction
- 10" Pneumatic wheels
- Pressure gauge
- Rated to Protocol 2000.
- Featuring highly efficient reed valves.
- Oil alert engine shut down.
- Auto idle control - Increases fuel efficiency, compressor life, reduction in noise level, cooler pump operating temperature
- 10" pneumatic wheels
- Anti vibration rubber pads.
- Heavy duty base plate.
- Full range of spare parts.
- Fully balanced fly wheel with large cooling fan
- Air Filter Regulator with NITTO fitting
- 3 Year subaru engine warranty
- 1 Year manufacturer's warranty on pump, tank and fittings

### Applications

- For use with Air Powered Tools
- Spray painting
- Fencing
- Picket Post Driving
- Stapling / Nailing
