9.4hp Crommelins Diesel Drive Unit Minespec

Electric start

Added automatically by system

This electric start, 9.4hp diesel drive unit for mining will drive 2" (50mm) Submersible Flexible Drive Pumps and Concrete Vibrators (with 3 dog drive).

It comes with a heavy duty roll frame to protect from damage, battery isolator, emergency stop, fire extinguisher, full bunding, lifting hook and is backed by Crommelins award winning spare parts and service.

The large horsepower of the engine allows it to drive larger pumps and vibrator shafts (up to 75mm). Diesel engine now 9.4hp Subaru/Robin DY42.
