6.0hp (CC70R) Crommelins Plate Compactor

The 6.0hp CC70R Crommelins Plate Compactors is a popular choice for pavers, general contractors, councils and rental companies as it is designed for compaction jobs in residential, commercial and light industrial applications.

This fast and powerful compactor will handle heavy duty jobs. The reversible handle makes it easy to manoeuvre and the soft grip handles reduces vibration to the operator.

Features

- Assembled and Tested in Australia
- Soft grip handle
- Powerful 6.0 hp 'EX' OHC engine
- Fast travel speed for increased productivity
- Reversible handle with easy to reach throttle control
- Compact design with central enclosed exciter for even compaction force
- Lifting hook and engine protection frame
- Precision robotic welded
- **Optional extra** - transport trolley

Applications

- Turf
- Soil
- Brick paving
